CLASS OFFICERS

La Fayette Carmine

"The heart to conceive, the understanding to direct, and the hand to execute."

The gentle and genial gentleman selected by the members of the Class and January, 1935, to be the president was La Fayette Carmine. He was of good academic rank. He was active in sports, especially in football. He took a lively interest in all school activities and acquitted himself with honor in the senior play in December, 1934. He served his class as president with much efficiency.

Jane Irvin

"A cheerful spirit is one of the most valuable gifts bestowed upon humanity."

Jane Irvin was the member of the Class of January, 1935, chosen for vice-president. She ever stood ready to give assistance to every work for the good of the class. It was a delight to the members of 4A to meet Jane Irvin and share her bright, happy ways. Any one in trouble would refer to her for help and comfort. And she surely removed it. For "A" she ever had a liking and both intelligence and character were to be found in our vice-president.

Virginia Schaeffer

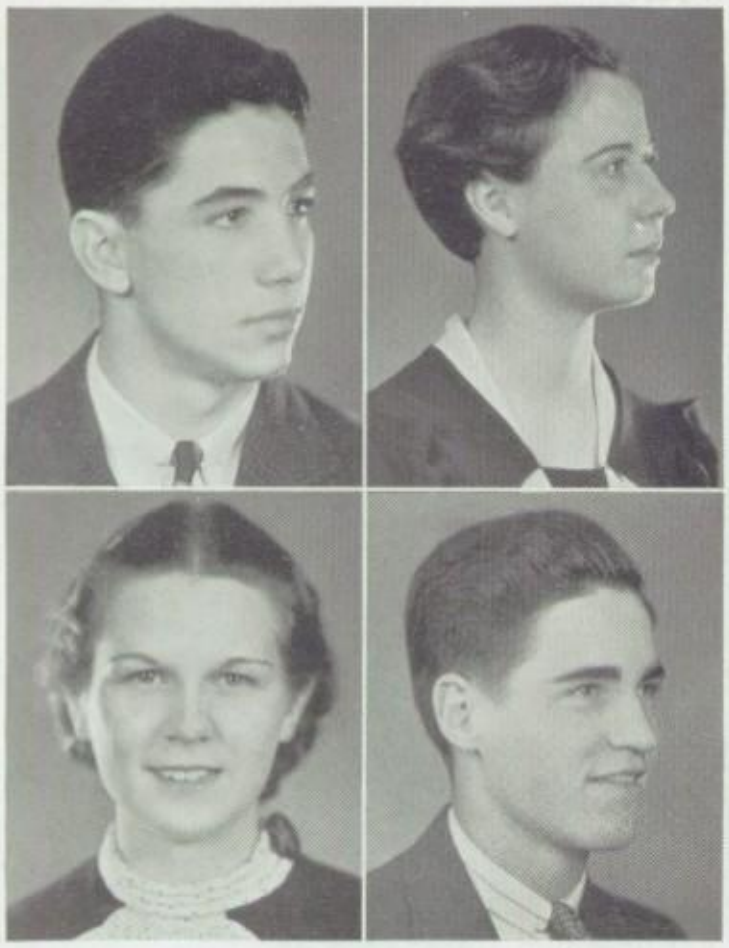
"Too pure, and too honest in aught to disguise
The sweet soul shining through them."

Virginia Schaeffer, ever gentle and attractive was the secretary of Class of January, 1935. She was quite likable and the class observed her neat, beautiful, and appropriate costumes she always wore to school. In all of the written work she gave the class, the same neatness and beauty appeared. She was both a good student and a good member of the activities. Her striking personality will always be remembered.

Edward Haughton

"The choicest things in life come in small packages."

Edward Haughton was the selected one for treasurer of the Class of January, 1935. He was a very ambitious person and began when he entered Henry Clay High to make excellent grades. He showed much joy in the activities of the school and he became a member of many clubs and organizations. His school hobby was the Student-Teacher Council. For this he stood firmly.



Natalie Corbin

the graduating

CLASS OFFICERS

Lawrence Garland

"He was a man, take him for all in all,
I shall not look upon his like again."

Our efficient class president is Lawrence Garland whose record is evidence of the high esteem in which he is held. His sunny disposition has won him many friends; and he will, no doubt, conquer many of the hard problems of life by beguiling them with his sunny smile. Repeatedly elected to class office, he has always repaid the confidence of his classmates by consistently working for their interests.

Elizabeth Ligon

"Comely and fair and gentle of disposition."

Our vice-president, Elizabeth Ligon, is one of the most popular girls who ever attended Henry Clay. Unassuming, steady, and dependable, she has the ability to apply herself to any task and to make a success of it. She has carried her class work and her many extra curricular activities without apparent effort, and has always been ready to lend a helping hand. She has won the admiration of all by her outstanding work as president of the Girl Reserves. Her modesty and consideration for others are her outstanding characteristics.

Natalie Corbin

"Her voice is ever soft, gentle, and low."

A loyal friend and jolly good "pal" is our class secretary, Natalie Corbin. She has been an excellent student and has taken an active interest in all school activities. In fact, Natalie has won more than her share of honors in school, and her charming personality will be among our most pleasant memories.

Albert Moffett

"Give us the lad whose life is one perpetual smile."

Generous, affable, courteous, our treasurer, Albert Moffett, is known to all in Henry Clay as a jolly good fellow and a true friend. Although one of the busiest members of the class, he always has time for his "daily joke." He was one of the leaders in the movement for a bi-weekly newspaper, and he has demonstrated his journalistic ability as the efficient editor-in-chief of the *Hi-Times* during his senior year.

HISTORY OF THE UNDER CLASSES

The class of January, '35, has existed through five semesters and now has eighty-two members.

They have taken their share of honors and participated in the major activities. The highest honor for 4B's is the selection to the honor society. Selection is based on high scholastic standing and an excellent activity record. Of our number John Berry, John Boles, Betsy Covington, Myra Hummer, John Keller, Mabel Lovens, Jane Mitchell, Robert Nash, John Tuttle, and Billy Wilson were selected.

Our athletes are Blumer, Boles, Stephenson, Tuttle, Levy, and Proctor. Proctor also heads the Student-Teacher Council.

Musicians of our group are Young, Grossman, Berry, Knox, and Covington.

We look forward to our Senior A semester when we will be the group to receive all favors, be able to suggest, and be looked up to as the wise seniors.

The 3A's entered the fall of 1933 with the usual aspiration for gaining recognition in their respective fields. During the first year only a few of our hopes had been filled.

However, September, 1934, found 166 enrolled and our class well represented in activities. Lettermen are Johnson and Sloan, while Sciantarelli and Whitcomb are members of the football squad.

Our outstanding musicians are Billy Echols, director of small school orchestra, and Bob Dean, who played the part of "Pooh-Bah," Lord High Everything, in the "Mikado." Other musicians are Parrigan, Deckard, Bryant, Hamm, Barker, Oliver, Barkman, Mitchell, Nickell, Thompson, Muncey, Le Bach, McFarland twins, Thurston, Lee, Bowers, Price, and Williams.

Representatives in speaking, drama and debate are Maxine Mays, Eugenia Johnson, Sarah McLean, and Homer Givin.

The present 3B class entered Henry Clay January, 1934. When this class entered as 2B's there were 117 enrolled. At present it has 114, and as you see it isn't well represented in the class picture. Ethel Vance has been outstanding in scholarship throughout her junior and senior high career. Billy Nash as vice-president and James Sanders have been representatives on Student Council for three semesters. Lucille Haney is a member of the debating team. The 3B's are always well represented at sporting events, operas, plays, and other activities.

Musicians of class are Mary Callan, Richard Ferguson, Sam Rainey, James Moore, Marjorie Doyle, and Howard Hanks.

The 2A class came to Henry Clay September, 1934, determined to take its place in the activities of the school. Rosalie Herman, Eli Levy, Anne Myers, Margaret Johnson, Alice Craddock, and Kitty Simrall were semester honor roll students. Congratulations, folks, not an easy task.

President Cunningham has two letters, and the budding athletes of the class are Greis, Bell, Wells, Wood and Bowman.

Willis Wright promises to be our dramatic star, having played in "Elmer," and is in the cast for state dramatic contest.

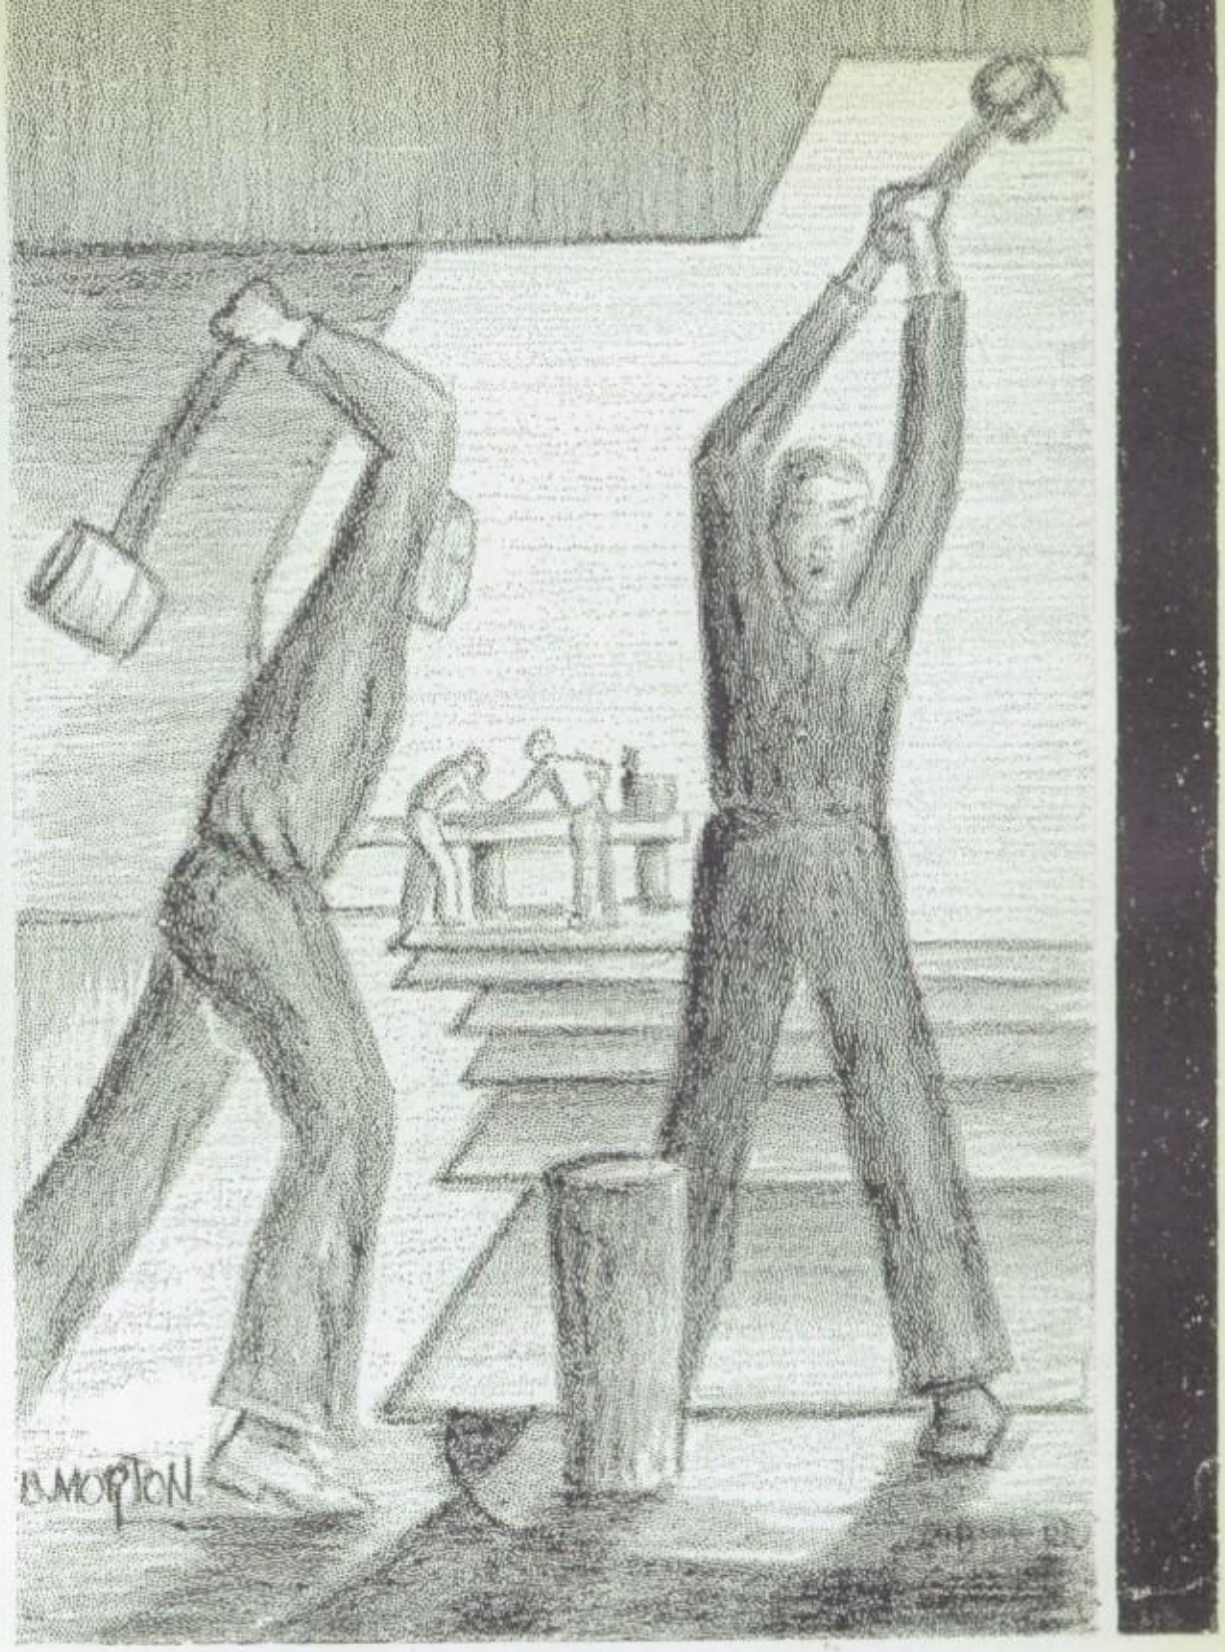
Musicians include Oliver sisters, Bosworth, Godbey, Karraker, Stone, Wood, Herman, Hoskins, Roberts, and McFarland. The 141 members of our class do their share in chorus, class programs, student council, and club organizations.

We the Sophomore B class, arrived January 21, 1935, at 8 o'clock. As soon as we arrived we were asked for our picture and class history. This was so sudden that only a few took a chance. However, this is the largest January class ever to enroll, totalling 120 students. Frank Wilford, our chief, is the only boy ever to win a Henry Clay letter while in the ninth grade. Is that not an item?

Our musicians are the McFarlands, Palmer, Johnson, Mallory, and Neander.

Ray Wells will represent us in drama and speaking contests.

In March we present a pageant, "Hobbies," based on the activities of our classmates outside of school. This is our beginning, watch us grow.



THINK OF A COURSE WHERE ONE OF THE TESTS YOU HAVE TO TAKE IS GOOD ENOUGH TO EAT. BOYS, THERE AIN'T NO JUSTICE.

The French Club is an association whose purpose is to give its members a better opportunity to learn about the country whose language they are studying. The Club meets once a month in the school auditorium, where programs of wide variety are enjoyed. This year there have been several outstanding speakers who have helped the members to understand better the French language. Other entertainments have given the students more knowledge of the country's history and customs.

The Club now has eighty members, all of whom are studying French and have paid their dues. All members have the privilege of taking part in meetings and of attending the entertainment which is given at the close of each year.

The aim of "Los Chicos" is to cultivate an interest in the Spanish language and to emphasize the achievements of Spain in the fields of art and literature.

It is needless to speak of the value of a foreign language club. All know that it creates an interest, an enthusiasm, and a spirit of cooperation that can be secured in no other way. It is in the Spanish Club that one may enter upon all those activities —music, games, dances, plays—which always prove delightful but for which there is usually no time in the ordinary classroom work.

Such student programs have been received enthusiastically throughout the year by the Club. "Los Chicos" has also had the advantage of hearing lectures accompanied by slides, on "Southern Spain," "The Argentine" and "Mexico."

The Club has increased its membership and now includes some fifty members in good standing.

Our membership is drawn from the Junior and Senior Classes and we represent the interest of the student body in "International Relations." We meet twice a month, on the first and third Tuesday of the month, and discuss various problems of world-wide significance. From time to time we have speakers outside the school who speak to us concerning some particular problem.

We do not believe that the mere formation of opinions about these much talked questions is an end in itself. It is our purpose to awaken and keep alive the interest of the students in world affairs, in the hope that we will develop a more sympathetic understanding of other people in other lands.

The program for November was given by a group of club members. Raymond Sutherland gave a talk on the "Munitions Problem," Vivian Munich and Curtis Reynolds spoke on "The Social and Economic Conditions of Nazi Germany."

The second semester the club was fortunate in having a series of interesting talks by the following men: Dr. E. G. Trimble, Dr. Paul H. Clyde, and Dr. Amry Vandenbosh, from the University of Kentucky; Dr. Charles J. Turck, President of Center College, and Dr. Henry Noble Sherwood, President of Georgetown College.

The Vergil Club was organized in September, 1930, to satisfy the desire of the Senior Latin student for extra-curricular activity. Six meetings are held yearly, at each of which a program of classical and modern topics is planned. Two programs which have become annual, are, the visit in the fall to the Transylvania Library to study the books of historical and classical value; and in the spring the pilgrimage to the architectural treasures of Lexington. There are no officers elected for the year, since each committee in charge of the program act officially for that period.

Time: After supper, tonight.

Place: Madge's room and Land at the End of the World.

In "Crystal Clear," by William M. Sloan III, the stage was set in two scenes at the same time. When the lights were bright on one scene, the other was in shadow. Madge Deming, Jerry Longstreet, and Mrs. Deming, in the living room of a modern house, contributed ideas for Madge's play on which she was engaged. In the land at the end of the world, the boy, the girl, the man, and woman enacted the story of the crystal mirror.

The Henry Clay Home Economics Club has grown to 65 members. It is affiliated with the State and National Home Economics Association. Our objectives for the year are:

The Study of Cosmetics and Hosiery.
Charity Work.
Social Activities.

The study of cosmetics was interestingly given by Mrs. Harriet Williams in the February meeting, giving the importance of knowing what ingredients make up our cosmetics.

Another instructive talk was given by a representative from a local firm on Hosiery.

Our charity work includes furnishing milk for undernourished children.

A delightful tea has been planned for the mothers and during May we will have our annual breakfast hike.

Regards to Roko.

"The Mikado," fourth in the series of Gilbert and Sullivan operas which has been presented at Henry Clay during the past few years, was performed on November 21, 22, and 23 in the school auditorium. Costumed professionally, staged adequately, and supported by thirty selected members of the school orchestra, which played the entire musical score, it proved to be one of the most successful production of recent years.

Spring

The Robin chirps his merry call,
'Tis gladly heard by one and all;
Building a nest up in the tree
For his mate and family.

The Jonquils show their happy faces
And spread good cheer about the places.
They look as if they want to sing
Of Mother Nature and of Spring.

Leaves come out upon the trees
And wave about midst gentle breeze;
They spread glad tidings far and near
And make it sure that Spring is here.

The babbling brook, thru meadow wends
Its happy way, until it ends
In some river, lake, or sea—
Spring makes me wish, I were thee.

The earth's bedecked in colors fair
For Easter-time is in the air;
The kiddies search with all their might
For bunnies small and eggs so bright.

Old Mother Nature has done her best
The earth is riding on the crest
Of Springtime! Let me sing!
For now I know that it is Spring.

OPAL HOBBS, 4A 1935.

Springtime

The day is sweet, and warm, and clear,
The blossoms are spread so fair.
And humming bees in the locust trees
Give a wonderful sound to the air.

The lark is singing in the meadow,
The blue birds are here again,
The robin flies, and to our eyes
Comes the beauty of the spring.

The maple in a light green dress,
And violets here and there
Dot the hills and mountain rills,
For spring is everywhere.

The mountain in its purple cloak,
And the sun in a golden stream
Shed their light, on every height,
As I wander in my dreams.

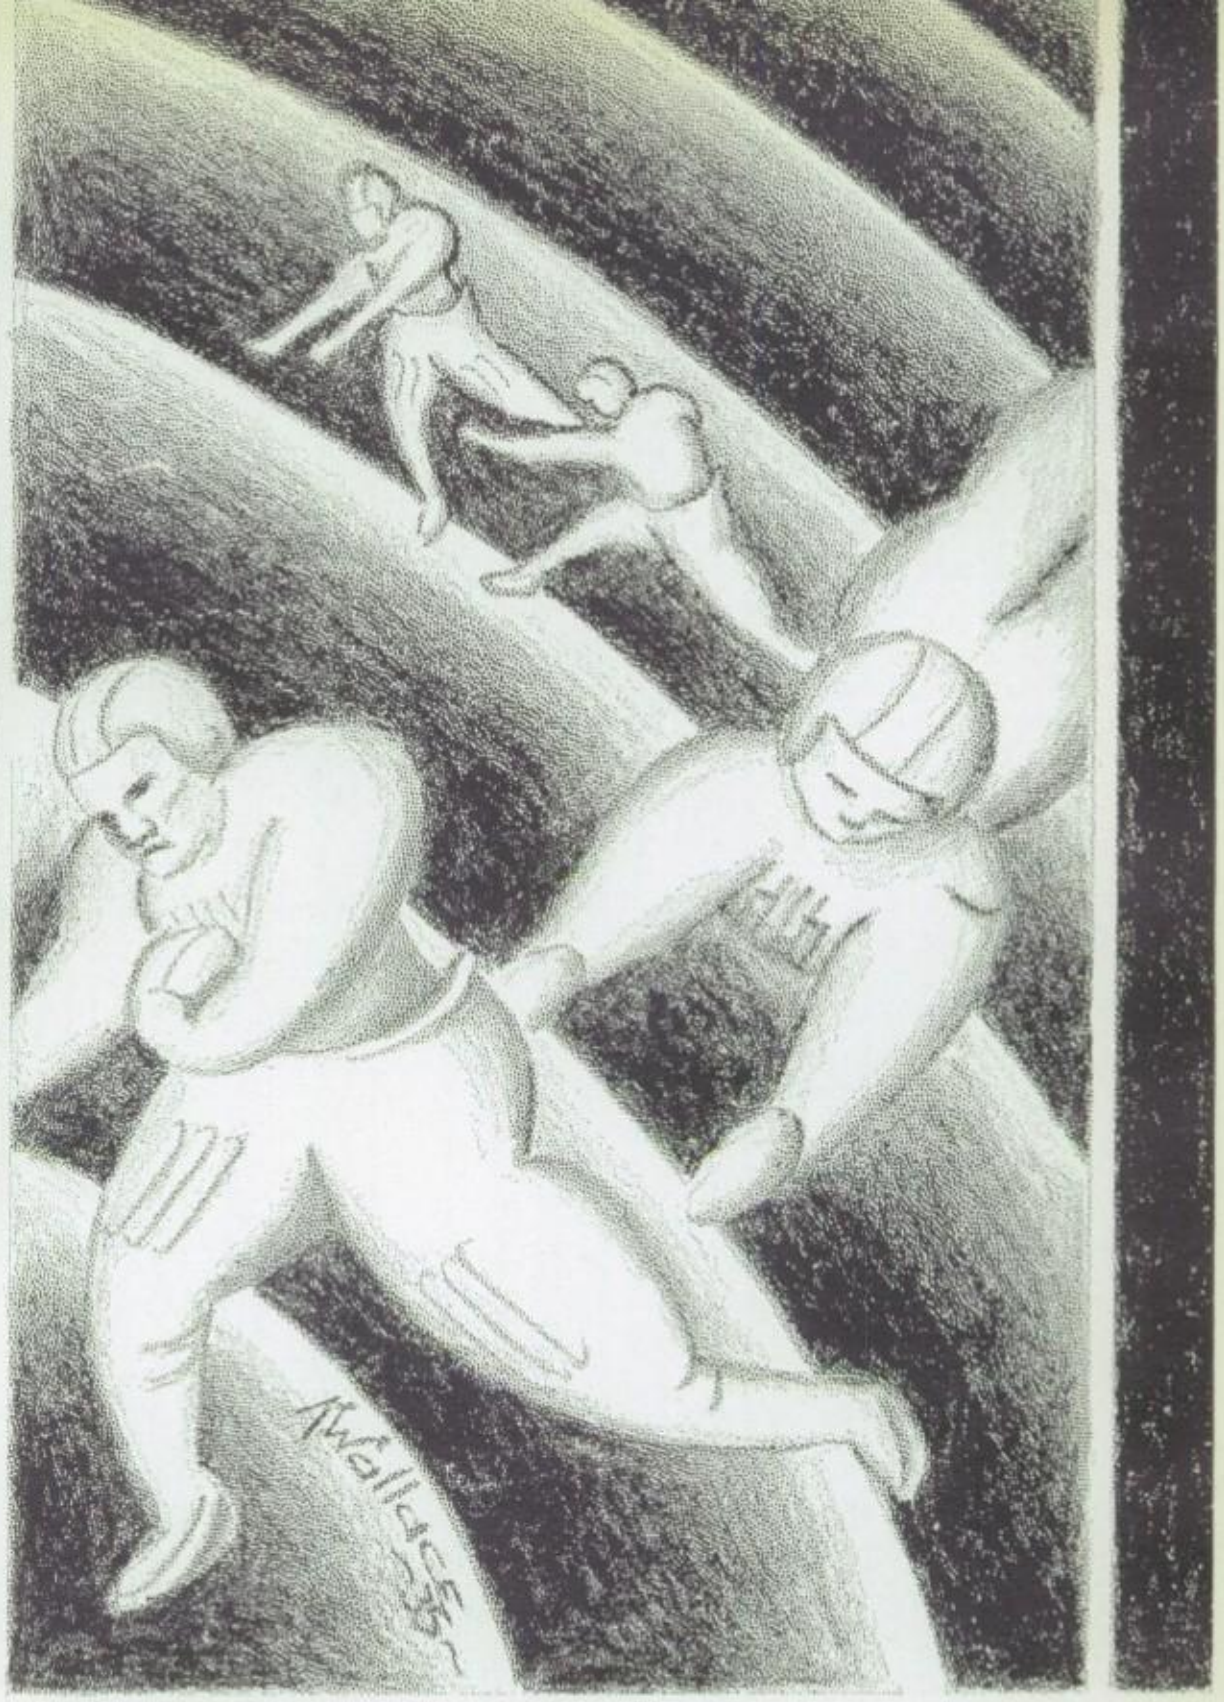
GROVER PIERCE.

The Senior Degree

In the pathway that leads unto knowledge
We've toiled and we've taken our ease.
Long years as we strove after learning,
We dreamed of this Senior Degree.
We became a sophomore by hard labor,
Then a junior with laughter and glee.
But still we wend on our way without end
As we seek for this Senior Degree.

We have listened to lectures unending,
Forgotten far more than we know.
We've loafed with the crowd on the corner
And the years have not passed so slow.
So as we meet tonight here together
With a toast to our classmates so free
We'll each give the other the hand of a brother
In seeking this Senior Degree.

All the days that we treasure behind us,
And those that are waiting before
We pledge to the memory of L. H. S.
To keep us true ones ever more.
By thy lamps all our steps have been guided
The light of the truth is from thee.
May the praise that we give—be the lives that we live
And this be our Senior Degree.



AMEBA, HYDRA, JELLY-FISH, WORM,
THINGS THAT HOP AND THINGS THAT SQUIRM,
'FOURTEEN TOPICS" ON EVERY ONE,
LOTS OF HARD WORK AND A LOT OF FUN.

ATHLETICS

FOOTBALL AT

With a number of lettermen graduating last June, the football prospects at Henry Clay didn't look very good in September for the 1934 schedule. The fact that Coach Heber had lost such valuable men as Billy Spicer, Kenneth Kimble, and Frank Mangione in the backfield and Fred Bell, an all C. K. C. man, Fred Flowers, LaFayette Carmine and others in the line, made things rather gloomy as the boys got under way last fall. Even then the Henry Clay boys came out with a record of four victories, four defeats and one tie. Luckily the games which the Hebermen lost were all but one against teams out of the C. K. C., and the Devils wound up the season with a scoreless tie against Somerset. This tie gave them second place in the C. K. C. race, Frankfort being declared the winner under the Dickerson system.

In the first game of the season the Devils traveled to Frankfort to play the Panthers a football game and to dedicate a new field. Well, the boys dedicated the field but it was Frankfort who played us the game instead of the tables being turned. The final tally showed a Panther victory to the tune of 12-0. Henry Clay dominated the first half of this ball game and were on two or three occasions in easy scoring distance of the goal. Somehow they seemed to lack a little scoring punch and blew their chances in the first half. In the second period Frankfort took advantage of the breaks that came their way and won the game.

The next game on the schedule brought to Lexington the Red Devils of Shelbyville, a team which had beaten the Devils the year before. Henry Clay found her winning ways and promptly trimmed this outfit 25-0.

The third tilt of the season saw Madison High's Royal Purples offering unexpected opposition but succumbing to the Heber coached boys 6-0 in a very tight ball game.

Henry Clay won her second straight C. K. C. victory the following Friday by overpowering Mt. Sterling 18-6 in a contest decided on Cassidy Field. The affair was ragged and slow throughout with the exception of one or two sterling plays. The first came in the second quarter when Vanaman intercepted a Trojan pass and streaked 73 yards to score without being touched by an opponent. This run was made possible by Lawrence Garland, who in making a perfect block, took out the only man between Vanaman and the goal line. That play will be remembered by those who saw it as possibly the finest bit of work of the whole season. Joe Vanaman passed to Garland, who caught the ball on the 20-yard line and ran the remaining distance for the second touchdown.

Having won their last three games, the Devils took a tumble from the powerful Danville Admirals in a night tussle the next week. The score was 12-0, and although the Hebermen played good ball throughout, they were never able to fully match the speed and drive of the Danville eleven.

Georgetown was next on the list, and they fell before the rushes of the Blue and Gold, 20-0. This game marked the fourth victory against two defeats so far in the season.

Covington's Red Devils, or in reality Holmes High, proved to be a little too tough in the next assignment, and they were the winners 18-8 of a game decided at the northern Kentucky city. Henry Clay led the Holmes outfit at the close of the first half 8-6. They couldn't withstand the last half spurt of the boys in red, however, and lost a tough ball game. After Holmes started out with a touchdown, the Devils led by Vanaman and Stafford brought the ball 60 yards down the field to register from a 4-yard plunge over the center of the line by Stafford. Hardin blocked a Red punt in the first half which punt rolled behind the goal line and became an automatic safety to give the Lexington crew a two-point lead. Covington came back with a rush to win in the last half.

Manual shook loose some shifty halfbacks and the result of the Manual-Henry Clay contest was a 25-0 victory for the Red machine. The Devils tackled fiercely throughout the game and were outplaying Manual's team in many parts of the game, but were not able to match the few minutes of brilliance which the Louisville team was able to muster.

Vanaman personally conducted the last touchdown for the Blue and Gold when he carried the ball 59 yards in five tries to score in the last quarter. Mt. Sterling's lone touchdown came as the Devils had a punt blocked which rolled behind their goal and was recovered by a Trojan player.

In the final game of the campaign, Henry Clay rose to real heights when they outplayed and outfooted a favored Somerset eleven to gain a scoreless tie. This tilt gave the Lexington boys second place in the C. K. C., and Frankfort was declared the winner. Incidentally, Frankfort was the only team in the conference to best the Devils, although they were tied by Somerset.

At the end of the season an all C. K. C. eleven was chosen and Garland was placed at end and Robinson at guard on this team. Jumping Joe Vanamen and Joe Stafford were honored with second team choices in the backfield. Garland also made the first team of an all-Kentucky team chosen at the close of high school warfare throughout the state.

The season was successful, and the most encouraging part of all is the fact that a number of the boys will be back this coming football year. Boles, Proctor, Johnson, Wilfred, Levy and a number of others will again take their places in the lineup next fall.

SEASON'S REVUE

In the group that came out for the first practice in December were Hardin and Garland, of the first squad in 1934, and Johnson, Blumer, Sloan, Stephenson, and Boles of the B squad. Hardin and Garland formed the backbone for the whole team at their guard positions. Gus Moran stepped into a regular forward berth alongside of Harry Stephenson, who took over the forward position in the second semester. Bernard Johnson, Blumer, Cunningham, Boles, Moore, Sloan, Riddle, Morgerson, and Kelley made up the squad.

The Blue Devils got off to a fine start by winning the holiday tourney at the university held in December. They won this event by defeating Mt. Sterling, 19-16, after winning from a favored Danville five in the first game of the event.

Henry Clay then lost to Manual in three overtime periods at Louisville. They won their next three games from Georgetown, Mt.

Sterling, and Madison High before bowing to the Danville Admirals. Then came a defeat from Paris, which marked the only C. K. C. game lost by the Devils during the year. The boys got back into their winning stride when they won from Georgetown for the second time and continued to win against Madison High, Kavanaugh, Frankfort, Paris and Somerset in succession. Winning the Somerset game gave the Devils the C. K. C. championship in basketball. It marked the first time that a Henry Clay team won the championship despite the fact that they have come very close on more than one occasion.

The Devils won the district tourney held at the University by conquering Wilmore 28-26. The next week-end they were eliminated in the finals of the regional at Richmond. Frankfort beat them 24-20, and thus closed a successful chapter in basketball at Henry Clay.
